

# Still Connected

Smart phones and tablets have forged an intimate relationship with people. They are deeply trusted and heavily relied upon—often times more than a wallet or even car keys. So, it has never been more critical that a candidate has anytime access to your employment brand.

And Pontoon is making this happen.

Scan QR code to test your recruitment knowledge.

Visit us at **Booth 19** to learn about the latest in gamification.

Turning the ordinary into the **extraordinary.**
